**Please join us and ask everyone you know to join us on September 30 in voting  
YES to CONSTITUTIONAL AMENDMENT NO. 3.**

**Statewide on September 30 we have an opportunity to vote on Constitutional  
Amendment No. 3 to put flood control and the safety of hundreds of thousands  
of citizens in the Metro New Orleans area in the hands of competent  
professionals whose sole responsibility will be flood control.**

It's obvious that the destruction of thousands of our homes, our possessions and the loss of over a thousand lives has failed to even phase the misguided actions of the Orleans Levee Board. Clearly the Levee Board failed in its basic mission of inspecting the levees and floodwalls while it focused on secondary missions of building recreational islands in Lake Pontchartrain, casinos, lavish lunches after "drive-by inspections of the levees," water fountains and leasing spaces for sailboats and restaurants.
